Re: Termination of Supervision - Local Union 737, Portland, Oregon

Dear Brothers and Sisters:

Upon the recommendation of Vice President and Northwest Regional Manager Robert F. Abbott, I am lifting the Supervision over Local Union 737, Portland, Oregon, and restoring its autonomy effective September 30, 2020. Supervision is being lifted as a result of the achievements and progress made to protect the Local Union as an institution, preserving its integrity and stability, restoring democratic procedures, preserving its status as a bargaining representative and preserving general operational stability.

The Supervisor will relinquish control over the affairs, assets and property of the Local Union to the incoming officers nominated/elected in the September 2020 election of officers. The Supervisor of Local Union 737 is instructed to distribute this notice to members of Local Union 737 through whatever means the Local Union normally uses to communicate with its members. The Supervisor will also post a copy in a conspicuous place in the Local Union's office.

Confident that the Supervision has served its purpose to strengthen Local Union 737 and extending my best wishes, I am

Fraternally yours,

TERRY O'SULLIVAN
General President
